THE COUNCIL MEETING.

REGULAR MEETING OF THE CITY LAW MAKERS.

THE CITY APPROPRIATION BILL PASSED TO A SECOND READING.

A regular meeting of the city council was held last night. The following members were present: Bixby, Kornegay, Meyers, Morris, McEwen, McGauley, Nellis, Rittenhouse and Robinson.

THE COMMITTEE ON CLAIMS. Reported back a large number of bills, which were severally allowed and referred as required by ordinance.

CITY TREASURER CUNNINGHAM having presented a bill for \$3.50 for collecting special assessments on sidewalks, the committee on claims reported the bill back, recommending that it be not allowed, as they could find no ordinance authorizing such payment. The committee state that inasmuch as the collection of taxes has been taken out of the hands of the city treasurer and made the duty of the Sheriff to make such collections, they did not know just what course to pursue in the premises. The bill was referred back to the committee with instructions to get the opinion of the city attorney in the matter.

THE COMMITTEE ON STREETS. Reported in favor of allowing the sidewalks on Twentieth street, between Commercial avenue and Levee street, to remain as it is for the present. The report of the committee was concurred in.

The petition of Chas. O. Patier & Co., asking the privilege of maintaining a railing around their pump, at the corner of Nineteenth street and Commercial avenue, was concurred in by the council, the railing to be constructed under the direction of the street committee.

ORDINANCES. The city appropriation ordinance was taken up and passed to a second reading—the amount to be raised as a contingent fund being raised from one to two thousand dollars; the fractional portion of amount to be raised which is to be paid in cash was made one-third instead of four-tenths.

PETITIONS. Mrs. Falkenstein stated that she had paid into the city treasury \$100 for liquor license, but that the license was not granted her; and having since paying the above amount she had been married, and now asked that a license be granted her husband. The petition was tabled.

Property owners in block 22 petition the city council to pass an ordinance taking said block out of the fire limits, as there were several persons owning lots in said block who would if they were allowed to put up frame structures and at once improve their property, with buildings. The petition was referred to the committee on fire department.

ON POLICE. The mayor stated that by the authority granted him by the charter, he had dismissed Policeman Frank Bemis, for drunkenness, and that he would nominate Henry T. Martin to fill the vacancy. The nomination was confirmed by a vote of, ayes, 3; noes, 1.

LIQUOR BONDS. A number of liquor bonds were presented and approved, after which the council adjourned.

THANKS FROM THE DELTA FIRE COMPANY. While exulting over the extraordinary success of their Fourth of July picnic, the Delta City Fire company do not forget that a great measure of their success is due to the kind offices, and generous aid of the good people of Cairo. While the company may not mention names, they desire to tender special thanks for the tarpaulins placed at their use, for the milk for their ice cream, for the nicely served hams that supplied their sandwiches, and the flowers that adorned their refreshment stands.

The committee of arrangements, including the president, worked with untiring industry, and while thanking them the company desires to include all who in any manner contributed to the success of the demonstration.

By order of the company, M. J. McGUIRE, Sec'y.
